## THE BARRE DAILY TIMES

BARRE, VT., JULY 22, 1905

### Weather Predictions.

Boston, July 22.—Continued unpleasant weather and occasional showers tonight and Thursday. Light to fresh winds, generally easterly.

### TALK OF THE TOWN.

Local Happenings Tensely Told For Busy Readers.

Ballard & Co., reliable insurance. Consult the eye sight specialist for glasses at J. W. Holton's.

You cannot appreciate how thoroughly good a four can be until you have tried Wise King. Try it.

The Boston Herald on Sunday last inaugurated a series of prize puzzles for the children which bids fair to become another Herald success. Some 50 prizes are offered each week and they are so awarded that children all over New England have the same opportunity in the distribution as those who live in Boston. Like everything The Herald does the puzzle is an interesting character and calculated to please the children without giving offence. The drawing of the pictures is good and the details of the arrangements most admirable. The children's department of The Herald is of the highest standard; indeed, it is on the same high level of excellence which has made The Herald and given it the right to be called New England's greatest newspaper.

### CHURCH AND CLERGY.

The Friends' meeting house in the town of Southville, R. I., is 200 years old.

Philadelphia has the largest number of Christian Endeavorers connected with any one church, and Ahmednagar, in India, has the second largest.

Probably the youngest minister in this country is the Rev. Edward Hersey Brewster, pastor of the Bethany Free Baptist church at Whitman, Mass. He is only eighteen years of age.

Ninety-five years old, oldest living graduate of Harvard, grandson of the American Revolution, son of the war of 1812, is the record of the Rev. Joseph Warren Cross of Lawrence, Mass.

### THE CUP HUNTER.

It's all off. Lipton has a rabbit's foot this time.—Chicago Record-Herald. Sir Thomas is likely to have a bunch of withered Shamrocks.—Memphis Commercial Appeal.

As a return for Sir Thomas Lipton's generous confidence in the American spirit of fair play there will be enough American cheering to put a few additional curls in his hair if he wins the race for the cup this year.—Chicago Tribune.

Earthquake in St. Vincent. St. Thomas, D. W. I., July 22.—A severe earthquake shock has been felt throughout the island of St. Vincent.

### LAW POINTS.

A conviction of a battery is held in People versus McDaniel (Ct.), 50 L. R. A. 578, to bar a subsequent prosecution for the same acts as an assault with a deadly weapon, with intent to murder.

Mere preparatory acts for the commission of a crime and not proximately leading to its consummation are held, in Groves versus State (Ga.), 58 L. R. A. 568, not to constitute an attempt to commit the crime.

A court of equity is held, in Freer versus Davis (W. Va.), 59 L. R. A. 550, to have no jurisdiction to settle the title and boundary of lands between adverse claimants when the plaintiff has no equity against the party claiming adversely to him.

### An Underground City.

One of the most remarkable cities in the world is Kelburg, near Cracow, Poland, for, besides being situated underground, it is excavated entirely in rock salt. The inhabitants, to the number of over 5,000, are, of course, workers in the famous salt mines, and all the streets and houses are of the purest white imaginable.

### Economy is Wealth.

What a true statement. This does not mean that it is economy to buy cheap goods, as a great many understand it. It does mean that the very best you can buy is the cheapest.

A twenty-five dollar suit of clothes will outlast three twelve dollar suits—shoddy. This same rule applies to everything and probably more so to paint than to anything else. Ten gallons of the Colonial Paint will go over as much surface as twenty gallons of cheap paint, and one coat of the Colonial Paint will cover as well as two coats of your cheap paint.

Judge for yourselves which is the most economical to use on your buildings. The Colonial Paint is 100 per cent. pure.
